DETAILED PROFESSIONAL EXPERIENCE

CHIEF PRODUCT OFFICER, RIVERUS TECHNOLOGY SOLUTIONS [2017–2020]

- Member of the founding team at the legaltech company. The product made legal research and case law more accessible
- Responsible for setting the product road map in keeping with the business goals
- Led teams for product management (3 persons), data science (3 persons) and data completeness (3 persons)
- Product development required obtaining & processing text and data of taxation cases (Income tax and GST) in a time-sensitive manner, across all judicial forums in India
- Some key features deployed were:
  - Classifying case text into issues, arguments, and outcomes. Used for improved readability, and clustering similar cases
  - Identification of similar cases and precedents using multiple judicial data points
  - Clustering of cases across companies, industries, issues, and transaction types
  - Linking of cases across forums, covering the lifecycle of a case
  - Judge-wise information, appearing lawyers, precedents used etc.
  - Access to legislation, rules, regulation, notifications

JOINT DIRECTOR/DEPUTY DIRECTOR, LAW, COMPETITION COMMISSION OF INDIA: [2010–2017]

- Case Manager at the national competition regulator for 50-60 live cases at various levels of adjudication (CCI, COMPAT & High Courts); ensured their disposal in keeping with the Act, Rules & Regulations
- Briefing the supervising Member of the Commission (cartel and dominance cases)
- Part of the team negotiating the 'competition chapter' for:
  - Free Trade Agreement between India and the European Free Trade Association (Iceland, Liechtenstein, Norway and Switzerland)
  - Regional Comprehensive Economic Partnership (RCEP)
- Organisation of trainings in collaboration with international organisations (OECD, ICN) and competition regulators from other jurisdictions (US FTC, EU DGComp)
- Organised the first in-house training program for new joiners at CCI

SENIOR ASSOCIATE/ASSOCIATE, ERNST & YOUNG/ S.R BATLIBOI & COMPANY: [2005–2010]

- Assisted a multinational bank in fulfilling their service tax obligations.
- Undertook indirect tax review of legal positions and internal processes, adopted by a large telecom company and its subsidiaries
- Advised companies on the tax implications of M&A
- Prepared manuals on compliances under the VAT regime, and setting up an SEZ
- Assisted the International Finance Corporation in restructuring and simplifying the VAT regime in Bihar, India under the guidance of Mr Satya Poddar
